To Whom It May Concern:

Shielding Dynamics, Inc. has been accepted to the GE Medical Systems Associate Program. The Associate Program's goal is to provide information to hospitals, clinics and other similar facilities in a mutual effort to improve the design and construction cycle time of installing diagnostic imaging equipment. Shielding Dynamics, Inc. has successfully completed numerous MRI projects with similar work scope as your proposed project. We are satisfied with the quality, timeliness, and professionalism of this company. Shielding Dynamics, Inc. is very knowledgeable with the technical complexity and critical path items that are crucial to quality MRI construction. I would personally recommend them to any of my customers. If you have any questions or would like more information on this company, I can be reached at 713-477-6089
